Mr. Benjamin Chairs, who escaped from the Lunatic Asylum, at Columbia, last Wednesday night, was arrested on Friday at the Planters' Hotel, Augusta, in pursuance of a telegraphic request from Dr. Ensor, and was taken back to the institution on Saturday by Dr. H. N. Sloan, the assistant superintendent. Mr. Chairs is a well educated man, of about fifty years of age, who was sent to the South Carolina Lunatic Asylum in 1871 by order of one of the circuit courts of Florida as a lunatic. He insists that he is not insane, but the officers of the institution know that he is.

Inspector Ferguson has been for some time engaged in improving the roadway of Vanderhorst street. That street was originally paved with large rough blocks, and limestone, granite, &c., which presented a very uneven surface. way than the old one. MANY MEDICINES IN ONE .- In speaking of the extraordinary rapidity with which Hostetter's Stomach Bitters recruit a debilitated and exhausted system, the preparation is usually reterred to as a vegetable tonic of marvellous power. But those who suppose that its operation is limited to its direct effect upon the digestive organs, little understand the true nature of this comprehensive remedy. It is not only a tonic, but also a gentle laxative, an active anti-bilious medicine, a mild diuretic, a wholesome exhilarant, a regulator, and a general alterative. It is to this combi nation of many essential sanitary properties that the article owes its success in a variety of distressing complaints, each of which in ordinary practice is subjected to a different mode of treatment. It is impossible to ini vigorate a leeble and diseased organization without regulating and purifying it. The moh12-wfm3paw Bitters do both.
